

She's a Superstar

Buddy Guy

My baby's a superstar
She's in a class out just by herself
I said, "My baby's a superstar
She's in a class out here by herself"
You know if the good Lord made anything better
He must a kept it for HimselfI was talkin' to a blind man
Talkin' to a blind man the other night
Talkin' to a blind man
Talkin' to a blind man the other night
He said, "Every woman you talkin' about, Buddy"
He said, "Hmm man, what a sight" He said, "That woman
Man, she's [Incomprehensible]
He said, "That woman
She's like something you've never seen"
She says she should be on centerfold
Of the Playboy magazineMy baby is a superstar
She's in a class by herself
I said, "My, my baby is a superstar
She's in a class by herself
You know if the good Lord made anything else better
He got to have, held it for HimselfMy baby is a superstar
And I love her like I do my guitar
My baby is a superstar
And I love her like I do my guitar
I don't care what they say about another woman
I don't, I don't care who she are
