

The Outernationalist

Thievery Corporation

Jah Rastafari One heart, one love, one moon
One Earth, one light
The Almighty, Jah Rastafari Unfathomable
Master builder of creation Jah Rastafari
Who stands to rule and reign worldwide
'Ras' mean King, 'Tafari' mean 'Head creator' Supreme, supremacy, ruler among the mighty
He touched lightening and it scorched
Rebuked the wind and chastised thunder Almighty
Him alone the only international field marshal, general
