

# Callin' U

## Outlandish

I?m callin? you  
When all my goals, my very soul  
Ain?t fallin? through  
I'm in need of you  
The trust in my faith  
My tears and my ways is drowning so  
I cannot always show it  
But don't doubt my love  
I?m callin? you  
With all my time and all my fights  
In search for the truth  
Tryin? to reach you  
See the worth of my sweat  
My house and my bed  
Am lost in sleep, I will not be false in who I am  
As long as I breathe  
Oh, no, no, I don?t need nobody  
And I don?t fear nobody  
I don?t call nobody but you  
My one and only  
I don?t need nobody  
And I don?t fear nobody  
I don?t call nobody but you  
You all I need in my life  
I?m callin? you  
When all my joy  
And all my love is feelin? good  
'Cuz it?s due to you  
See the time of my life  
My days and my nights, oh, it?s alright  
'Cuz at the end of the day  
I still got enough for me and my  
I?m callin? you  
When all my keys  
And all my bizz  
Runs all so smooth  
I?m thankin? you  
See the halves in my life  
My patience, my wife

With all that I know  
Oh, take no more than I deserve  
Still need to learn more  
Oh, no, no, I don't need nobody  
And I don't fear nobody  
I don't call nobody but you  
My one and only  
I don't need nobody  
And I don't fear nobody  
I don't call nobody but you  
You all I need in my life  
Our relationship, so complex  
Found you while I was headed straight for hell in quest  
You have no one to compare to  
'Cause when I lie to myself nothing's hidden from you  
I guess I'm thankful, word on the street is you changed me  
It shows in my behavior, past, present, future  
Lay it all out, found my call in your house  
And let the whole world know what this love is about  
Yo te quiero, te extra
