

# Visual Love

## Chrisette Michele

I walk in, red heels  
After I hop out them big wheels  
Theyâ€™re giving me so much attention  
Yea theyâ€™re lookin' at me like I ainâ€™t real  
Hey, black dot shades  
Like I step right out of a cover page  
Walkin' in slow motion in the wind  
I got 'em coming to me  
All I hear 'em say is

Iâ€™ll be there for you  
I bet they donâ€™t even have a clue  
I know your eyes tell you you love me  
But that donâ€™t mean you do  
You canâ€™t do nothing for me  
If your love isnâ€™t true  
Your eyes tell you you love me  
But that donâ€™t mean you do  
And I ainâ€™t gon' let you hurt me  
When youâ€™ll see someone new  
Just â€™cause youâ€™re in visual love, visual love

Know what you want but you canâ€™t have  
All of me unless itâ€™s gonna last  
You gotta have more than 2 eyes  
If you plannin' to call yourself my man  
Hey, all games aside  
If you wanna get to me do it right  
That itâ€™d be better than whatâ€™s yo name  
And I already heard 'em say

Iâ€™ll be there for you  
I bet they donâ€™t even have a clue  
Your eyes tell you you love me  
But that donâ€™t mean you do  
You canâ€™t do nothing for me  
If your love isnâ€™t true  
Your eyes tell me you love me  
But that donâ€™t mean you do

And I ainâ€™t gon' let you hurt me  
When youâ€™ll see someone new  
Just â€™cause youâ€™re in visual love, visual love

Um love, Iâ€™m more than a visual  
Um love, Iâ€™m more than a physical love  
Um love my individual  
Visual yea, â€™cause youâ€™re my visual love  
Um love, Iâ€™m more than a visual  
Um love, Iâ€™m more than a physical love  
Um love my individual  
Iâ€™mma do myself, you will see

Love me, but that donâ€™t mean you do  
You canâ€™t do nothing for me  
If your love isnâ€™t true  
Your eyes tell you you love me  
But that donâ€™t mean you do  
I ainâ€™t gon' let you hurt me  
If youâ€™ll see someone new  
Just â€™cause youâ€™re in visual love  
Visual love, visual love, visual love

Thereâ€™s gotta be more than visual love  
Thereâ€™s gotta be more than visual love  
Thereâ€™s gotta be more than visual love  
Thereâ€™s gotta be more than visual love
