

Lonely

Colony House

Sometimes I feel a little lonely (lonely)
Sometimes I feel like this whole world has got me wrong
Baby, sometimes I feel like I'm the only (only)
One who ever felt aloneIs this a heart attack or did my troubles find a way to paint my heart this black?
I've done it to myself a hundred times before
Turn a man into an island and I lock the doorSometimes I feel a little lonely (lonely)
Sometimes I feel like this whole world has got me wrong
Baby, sometimes I feel like I'm the only (only)
One who ever felt aloneI don't know where I'm at
I can't remember where I'm going or the way back
Don't want to say it, but I know it's true
There's a certain type of sadness that I'm partial to
Maybe I'm the one who's failing
Maybe I'm the one who knows
That the only way of failing is never letting you go
I gotta let it go, I've gotta let it goSometimes I feel a little lonely (lonely)
Sometimes I feel like this whole world has got me wrong
Baby, sometimes I feel like I'm the only (only)
One who ever felt aloneSometimes I feel a little lonely (lonely)
Sometimes I feel like this whole world has got me wrong
Sometimes I feel like I'm the only (only)
One who ever felt alone
