Steroids.

Mr. Oizo

Boy, oh, boy I'm feeling high
It just happens to me at night
Are you ready for signs?
Tie my choke up on this punchline
Jumping with no parachute
Studly when I start to shoot
My load is pretty heavy,
but you swallow 'cuz you think I'm cuteTwo times might be one too much
I'm losing sight, I'm losing touch
of the reality I was facing when I was growing up.
If you front, you can go fuck yourself in the back
All those beats, all those rhymes just kept blowin' my stack
On the internet you can tick this, I got the good grades
Only four singles, our popularity don't fadeTwo times might be one too much
I'm losing sight, I'm losing touch
of the reality I was facing when I was growing up.I put my name on the map
My pop, you're calling me that
Your boyfriend's harrassing me
and you should tell him to stop.
I'm off another level
I got upgraded, I dedicate this song to my fans on steroids
I am the short circuit of this electronic
I am the start-up chick and my voice bionic
I got a good team
I'm on your widescreen
I'm all about my green since I turned fourteenTwo times might be one too much
I'm losing sight, I'm losing touch
of the reality I was facing when I was growing up.
