Amazing love  
Now what else shall I need  
Your name brings life  
It's more than the air I breatheMy world was changed  
When Your love You gave for me  
My purpose found  
And all that You want for meAnd I found myself in You  
And I found myself in YouAmazing love  
Now what else shall I need  
Your name brings life  
It's more than the air I breatheTake me to a place  
Where I can see You face to face  
And all I want to do all I want to do  
Is worship You
