## The Wooden Sky

Angelina, baby please  
Please baby be mine  
Angelina do your chacha  
Forget about the time  
Sign your name across my heart  
Honey ain't that smart  
Angelina  
Ready, steady, start  
We can chacha on the floor  
We can chacha on the couch  
Baby, we can chacha  
All around my house  
We can chacha in the night  
Chacha till two  
And if you chacha me  
I have to chacha you  
Oh Angelina, Angelina, Angelina  
Oh my sweet Signorina, Signorina, Angelina  
I-I-I bet that we sweat  
Angelina, Angelina, be my Signorina  
Oh Angelina, Angelina, Angelina  
Oh my sweet Signorina, Signorina, Angelina  
I-I-I guess you say, "Yes"  
Angelina, Angelina be my Signorina  
Signorina Angelina come ride in my new Benz  
It's a two seater so don't bring your friends  
I got dinner for two, only a la carte  
Angelina, oh yeah, ready, steady, start  
We can chacha on the floor  
We can chacha till two  
And if you chacha me  
I have to chacha you  
Oh Angelina, Angelina, Angelina  
Oh my sweet Signorina, Signorina, Angelina  
I-I-I bet that we sweat  
Angelina, Angelina, be my Signorina  
Oh Angelina, Angelina, Angelina  
Angelina, Signorina, Angelina  
I-I-I guess you say, "Yes"

Angelina, Angelina be my Signorina  
Oh, Angelina  
Come baby, drive in my Benz  
Oh, Angelina  
But don't you bring no more friends?  
Oh, Angelina  
I got dinner a la carte for two  
Just for me and you  
Oh Angelina, Angelina, Angelina  
Oh my sweet Signorina, Signorina, Angelina  
I-I-I bet that we sweat  
Angelina, Angelina, be my Signorina  
Oh Angelina, Angelina, Angelina  
Angelina, Signorina, Angelina  
I-I-I guess you say, "Yes"  
Angelina, Angelina be my Signorina
