Tell Me What You Want from Me

Good Old War

Tell me why my love has got a gun
Aimed at my heart
I'm begging please just try and realize
Baby I did my part
Where do you want to go
You've gotta let me know
Tear me apart
Forget my name
Maybe it's easier to live that wayOooh tell me what you want from me
Oooh tell me what you want from me
Oooh tell me what you want from me
Oooh tell me what you want from me
I don't know why is worth the pain
Is it better I feel something
Someone else will do the same thing
So there's no point in running
Where do you want to go
You've gotta let me know
Tear me apart
Forget my name
Maybe it's easier to live that wayOooh tell me what you want from me
Oooh tell me what you want from me
Oooh tell me what you want from me
Oooh tell me what you want from meTell me what you want from me
Tell me what you want from me
Tell me what you want from me
Tell me what you want from me
Tell me what you want from me
Oooh tell me what you want from me
Oooh tell me what you want from me
Oooh tell me what you want from me
Oooh tell me what you want from me
