

I Know (Radio Edit)

Shift K3Y

I know what you're looking for
But I'm not that guy and I'm not that type
Twilight you haven't seen before
'Cause I'll make you up just a little bit more I know what you're looking for
But I'm not that guy and I'm not that type
Twilight you haven't seen before
'Cause I'll make you up just a little bit more Type, I know, I know, I know
Type, I know, I know, I know
Type, I know, I know, I know
Type, I know, I know, I know (looking for) I know what you're looking for
