Secret Love

Kelly Price

Uh, uh, uh, so, so, def
Cross us, you know not
(So, so, def, come on, clap yo hands)
'Cuz I'm full time here dough spot
(Come on, come on, come on, come on)Full time blow spot ain't gone stop
(Come on, clap yo hands)
Keepin tha flow locked
(Come on, come on, come on, come on)
Keepin' tha flow locked, come onI got a secret in my heart
And baby it's tearin' me apart
'Cuz I want the world to understand
That I love you and you are my manBaby we know that we belong
A love that is real just can't be wrong
Can't keep it inside for very long
This love is too strongSo ready or not here I come
(Oh come on)
I got a secret that I want you to know
Baby yeah, I can't hide what I feel insideBoy it's killing me baby
So why can't they see that I
I can't hide what I feel inside
Everyone should know
So just let it show babyBoy I feel it's time to let it go
We stayed on the hush, we kept it low
But I need to let my feelin's show
I can't take it no moreSo ready or not here I come
I got a secret that I want you to know
Baby, baby I can't hide what I feel insideBoy it's killing me baby
So why can't they see that I
I can't hide what I feel inside
Everyone should know
So just let it show babyI'm yours
(I'm yours)
I belong to you and
(I'm yours and I)You're mine
You belong to me
(The world should know you're mine)
Why can't they see
(Why can't they see)It's killin' me
(Yeah yeah)

Oh baby, I can't keep it secretI must release this, we can't keep it a secret
Fuckin' hush hush, need you in my life to complete it
Cuz ain't nobody like us together, let's grow old together
We never fold through whatever we roll, believe itWhen you get mad I'm heated I want the world to see it
When you happy my purpose never defeated
You got me, walkin' round, helpless, with no hope
I'm high off you selfish with mah dough
Lord pictured a vision of me and youIt'll never be anotha lova like boo boo, let's show 'em
Ignore whatchya home boyz say, they ain't knowin'
How we be keepin' it quiet long enough
What I feel inside strong enough to bustOpen the heart of tha hardest thug
Hop on this woodie when he need love
Can't hide, they see me shine when I ride this
Blow they inquirin' minds, it's you and I boyI can't hide what I feel inside
Boy it's killing me baby
So why can't they see that I
I can't hide what I feel inside
Everyone should know
So just let it show babyI can't hide what I feel inside
(Y'all know how we do over here)
(Y'all know how we do over here)
Boy it's killing me baby
(Y'all know how we do over here)So why can't they see that I
(Y'all know how we do over here)
I can't hide what I feel inside
Everyone should know
So just let it show baby
