Giving Up

Travis Bretzer

People try to help me
Their words are no better than mines
I'm sick of trying to keep straight
When I know that it's too lateThere's nothing left to do
I think I blew my coolFloating in the mess I made
Losing when the cards are laid
But the sympathy that you give to me, is all i really need
And when you lose control, you lose control
You need someone to hold, you need someone to hold
I'm broken beat, I've had enough, I'm tired of acting tough
I'm giving up, I'm giving up
Floating in the mess I made
Losing when the cards are laid
But the sympathy that you give to me, is all i really need
And when you lose control, you lose control
You need someone to hold, you need someone to holdI'm broken beat, I've had enough, I'm tired of acting tough
I'm giving up, I'm giving up
