

# Nothing Else Matters

## Godsmack

So close no matter how far  
Couldn't be much more from the heart  
Forever trusting who we are  
And nothing else matters  
I Never opened myself this way  
Life is ours, we live it our way  
All these words I don't just say  
And nothing else matters  
Trust I seek and I find in you  
Every day for us something new  
Open mind for a different view  
And nothing else matters  
I Never cared for what they do  
I Never cared for what they know  
But I know  
So close no matter how far  
Couldn't be much more from the heart  
Forever trusting who we are  
And nothing else matters  
I Never cared for what they do  
I Never cared for what they know  
But I know, But I know  
I Never opened myself this way  
Life is ours, we live it our way  
All these words I don't just say  
And nothing else matters, oh yeah  
Trust I seek and I find in you  
Every day for us something new  
Open mind for a different view  
And nothing else matters  
I Never cared for what they say  
I Never cared for games they play  
I Never cared for what they do  
I Never cared for what they know  
But I know what I know, yeah  
So close no matter how far  
Couldn't be much more from the heart  
Forever trusting who we are  
No nothing else matters
