

# Breakn' a Sweat

## Skrillex

All right this is the breakdown  
I'm breakin' a sweat  
It's all right  
I'm breakin' a sweat  
I said it's all right  
I'm breakin' a sweat  
It's all right  
I'm breakin' a sweat  
Come on baby light my fire I'm breakin' a sweat  
It's all right  
I'm breakin' a sweat  
I said it's all right  
breakin' a sweat  
It's all right  
I'm breakin' a sweat  
Woo! That's good  
That's good  
That's good  
Come on baby light my fire  
That's good  
That's good That's kick ass  
That's good
