

Flashlight - Sweet Life Remix

Hailee Steinfeld

When tomorrow comes
I'll be on my own
Feeling frightened of
The things that I don't know
When tomorrow comes
Tomorrow comes
Tomorrow comes And though the road is long
I look up to the sky
Darkness all around
I wish that I could fly
And I sing along, I sing along
And I sing along I got all I need when I got you and I
I look around me, and see a sweet life
I'm stuck in the dark but you're my flashlight
You're getting me, getting me through the night
Can't stop my heart when you shinin' in my eyes
Can't lie, it's a sweet life
I'm stuck in the dark but you're my flashlight
You're getting me, getting me through the night I see the shadows long beneath the mountain top
I'm not afraid when the rain won't stop
'Cause you light the way
You light the way, you light the way I got all I need when I got you and I
I look around me, and see a sweet life
I'm stuck in the dark but you're my flashlight
You're getting me, getting me through the night
Can't stop my heart when you shinin' in my eyes
I can't lie, it's a sweet life
I'm stuck in the dark but you're my flashlight
You're getting me, getting me through the night Light light light
You're my flashlight, light, light
And you can't deny
It's a sweet life, life, oh I got all I need when I got you and I
I look around me, and see a sweet life
I'm stuck in the dark but you're my flashlight
You're getting me, getting me through the night
Can't stop my heart when you shinin' in my eyes
I can't lie, it's a sweet life
I'm stuck in the dark but you're my flashlight
(You're my flashlight)

You're getting me, getting me through the night You're my flashlight
Light light
You're my flashlight
Light light ye-yeah You're my flashlight
