50 Feet Tall

New Politics

You seek, destroy
She's 50 feet tall
Surrender to the room, is from the other side of townI push, you pull
She's 50 feet tall
Crashing on my couch and barely wearing anythingShe sings along
I'm in her favorite band
Got no education it don't matter she can danceGet higher baby, get higher baby
Get higher baby, get higher baby!I'm out of cash
Why you blowing up my phone?
Should I stay or should I go?
I'm getting blast
So don't you kill my vibe, my ride coming hot
She's 50 feet tallNo drug can buzz
Or ruin like she does
Playing with the lollipop you twerking on my bustShe's fad then bad
And 50 feet tall
Will it ever stop hope not I need your rock and rollYour sag or fag is burning up my chest
Working out a fever
I got nowhere to sweatGet higher baby, get higher baby
Get higher baby, get higher baby!I'm out of cash
Why you blowing up my phone?
Should I stay or should I go?
I'm getting blast
So don't you kill my vibe my ride coming hot
She's 50 feet tallWe still get butterflies
Damaged and in therapy
Baby we'll work it out
Fuck me yeahGet higher baby, get higher baby
Get higher baby, get higher baby!I'm out of cash
Why you blowing up my phone?
Should I stay or should I go?
I'm getting blast
So don't you kill my vibe, my ride coming hot
She's 50 feet tall
Why you blowing up my phone?
Should I stay or should I go?
I'm getting blast
Woo! don't you kill my vibe, my ride coming hot

She's 50 feet tall
