Take Back

Slim Smith

All you ever think is gimme gimme
But you never give back
All I ever do is overthink and drink until I attack
We know how to talk it into the ground
We know how to wear it out
If we ain?t gon? save it, gonna end up in the grave
And baby
How do we take back what?s been done, what?s been said?
Oh my
How do we take back cause no one wins
When love breaks down, we both die
And I would give anything
Just to chase the dark away
And start all over again
How do we take back what?s been done, what?s been said?
Oh my
I fed you a fantasy
But you been drunk on reality
All you want is to be wanted
Long as ya get it outta me
We used to be a jungle, sticky and wild
It used to be we owned the night

All the stupid games we?re playing
All the shit that we?ve been saying
How do we take back what?s been done, what?s been said?
Oh my
How do we take back cause no one wins
When love breaks down, we both die
And I would give anything
Just to chase the dark away
And start all over again
How do we take back what?s been done, what?s been said?
Oh my
Remember, remember the first time we collided?
We lost it, we lost it
How do we take back what?s been done, what?s been said?
Oh my
How do we take back cause no one wins

When love breaks down, we both die
And I would give anything
Just to chase the dark away
And start all over again
How do we take back what?s been done, what?s been said?
Oh my
How do we take back?
