

# True Romance (Featuring Lilja Bloom)

[Parov Stelar](#)

I think that you know that I'm for sure beware of you  
and I know that it's hard to believe in yourself.  
And this time I got you know me better.  
And I'm yours in any matter.  
And this time I got you know me better.  
That no one else can feel me deeper,  
but I know that it's hard to believe in yourself. With you starting a new life of happiness.  
You brought up the enemy myself.  
Yes you are the one I love,  
the one I know and never leave.
