Where the Humans Eat

Willy Mason

Why wont you listen
When I speak?
Why wont you listen
When I stamp my feet?You dont belong
Where the humans eat
You dont belong
Dont belong to meI have been working
All fucking day
You lie there sleeping
Your life awayYou dont belong
Where the humans eat
You dont belong
Dont belong to meI just fed you
And your fat brother
So why are you now
Still yelling at me? MeYou dont belong
Where the humans eat
You dont belong
Dont belong to meYou dont belong
Where the humans eat
You dont belong
Dont belong to me
