

# (Girl We Got A) Good Thing

## Weezer

Girl, we got a good thing  
You know where this is heading (uh-huh)  
Just a couple lovebirds  
Happy to be singing (uh-huh)  
Girl, we got a good thing  
And I don't see this ending  
Do you want to fly? Do you want to flee?  
Do you want to get away with me?  
Do you want to face the great unknown?

Jingle, jingle  
We're as happy as a couple Hare Krishnas  
Dancing, twirling, playing on the tambourine  
We'll crush the scene together  
Marching onward  
Oblivious to all the hate around us  
We could self-publish a book of our philosophy  
And hand it to the tourists

Girl, we got a good thing  
You know where this is heading (uh-huh)  
Just a couple lovebirds  
Happy to be singing (uh-huh)  
Girl, we got a good thing  
And I don't see this ending  
Do you want to fly? Do you want to flee?  
Do you want to get away with me?  
Do you want to face the great unknown?

Puerto Rico  
Would be perfect for a destination wedding  
We'll drive into Ventura on the 101  
It sounds like fun, to me  
You scare me like an open window  
Let's chalk it up to Stockholm syndrome  
I want to crawl in, crawl into a hole

Girl, we got a good thing  
You know where this is heading (uh-huh)  
Just a couple lovebirds

Happy to be singing (uh-huh)  
Girl, we got a good thing  
And I don't see this ending  
Do you want to fly? Do you want to flee?  
Do you want to get away with me?  
Do you want to face the great unknown?
