

Shida Za Dunia

Jose Chameleon

Rafiki yangu alikuja nyumbani,
Kunielezea shida Fulani,
ati alifukuzwa kazini na hajui atafanya nini,
Mke wake amemutoroka,
Rafiki zake wanamcheka,
shida amepata nyingi amechoka,
dunia anajuta.

Acha kulia, shida za dunia,
Hebu tulia mungu anakujali pia, x2
Maisha mwendo ni pole,
ukipata shida leo usikonde,
Wengi wako kama wewe usijali,
Acha kulia ni Maisha makali,
Tazama kwanza uone kesho,
Usikonde uwape kichekesho,
Maisha itakuwa na matatizo,
uombe mungu,
Atakupa uwezo,

Acha kulia, shida za dunia,
Hebu tulia mungu anakujali pia, x2
Hizo shida usifikirie uko nazo pekee yako,
Labda mungu anakuletea kesho,
Huwezi jua kama leo siyo yako,
Kwa hiyo, masikini usikonde,
Labda kesho utapata,
Mungu alipanga maisha kakaraka,
Tunapanga naye anapanga,
Shida za dunia ninakwambia.

Acha kulia, shida za dunia,
Hebu tulia mungu anakujali pia, x4
Acha kulia(acha kulia)
Shida za dunia(shida za dunia)
Hebu tulia(hebu tulia)
Acha kulia(eeeh eeeh eeehh)
shida za dunia, (eeeeh eeh ehhhh)
hebu tulia(eeeeeh eeh eeeeeh)

Mungu anakujali pia(eeeeeh eeh eeh eeh)
Rafiki yangu alikuja nyumbani, (acha kulia)
Kunielezea shida Fulani, (shida za dunia)

ati alifukuzwa kazini na hajui atafanya nini, (shida za dunia)
Mke wake amemutoroka, (mungu anakujali pia)
Rafiki zake wanamcheka, (acha kulia)
shida amepata nyingi amechoka, (shida za dunia)
dunia anajuta.(mungu anakujali pia)
