

Feel

ABRA

i do not know my way
but ill go bursting through the flames
till i get it
be damned to be so bold
i did not see the light
but i got a taste of what it might be like
what's the good to feel bad
it's just natural baby
let them care if they care
we're just animals baby
all i ever wanted
and all i ever need
is a beat and a hum
that can make me feel
human
and all i ever wanted
and all i ever need
is a beat and a hum
that can make me feel
human
do you know where i can buy some peace to pocket
do you know where i could be
packed up my woes
and i threw them in a rocket
but they don't know they don't know they don't know
they hide a well kept secret
and i don't mind to keep it
if they don't wish to seek it seek it
all i ever wanted
and all i ever need
is a beat and a hum
that can make me feel
human
and all i ever wanted
and all i ever need
is a beat and a hum
that can make me feel
human
and all i ever wanted

and all i ever need
is a beat and a hum
that can make me feel
human
