## Darwin Hobbs

Free, free from my past  
Free from the pain  
Free from the guilt that would cause me to be ashamed  
Once, once i was blind  
but now i see clearly the debt that i owe Jesus paid for me  
No more chains are binding me  
I'm totally free

Even my human desires  
Desire to crucify my soul  
Could not outweigh the knowledge  
Of the fact that you made me whole  
Time after time i remind myself  
That your mercies each day are new  
Help me oh Lord to establish and know  
That at Calvary I was redeemed

You set me Free, free from my past  
Free from the pain  
Free from the guilt that would cause me to be ashamed  
Once, once i was blind  
but now i see clearly the debt that i owe Jesus paid for me  
No more chains are binding me  
I'm totally free  
All because of Jesus

Even though I was a sinner  
You commanded your grace and your love toward me  
Saved me from death and destruction  
Gave me life eternally  
Now after my sins have you dealt with me Lord  
I'm so grateful for all you do  
Iniquity doesn't detain my reward  
You still love me and tell me that I am your own

I'm Free, free from my past  
Free from the pain  
Free from the guilt that would cause me to be ashamed  
Once, once i was blind  
but now i see clearly the debt that i owe Jesus paid for me

No more chains are binding me  
I'm totally free (3x)
