

Angels

The Tea Party

Another holiday from the vampires
And all the sycophants caught on the highwire
So sexy, sexy babe you know I need some
To pass the time away to get relief from
All this life that's filled with wanton tragedy

Just like a runaway with no escape zone
You'd think I'd find a way you'd think I'd fake one
But all my life's been filled with wanton tragedy

Where's my angels I'm a naked soul
Where's my angels I'm a naked soul

So just for heaven's sake I'll try to face this
It's just a chance you take to get a last kiss
So sexy, sexy babe you know I need some
To pass the time away to get relief from
All this life that's filled with wanton tragedy

Where's my angels I'm a naked soul
Where's my angels I'm a naked soul
Now don't you hide from me
Don't you hide from me
Don't you hide from me

All my life's been filled with wanton tragedies

Where's my angels I'm a naked soul
Where's my angels I'm a naked soul
Now don't you hide from me
Don't you hide from me
Don't you hide from me
Don't you hide from me
Please don't
