

Take It Seriously

[Nathan Sanders](#)

Welcome To Your World
Welcome To Your World

You Gotta Take Time
To Take It Seriously
You Gotta Make Time
To Do What Is Right

No Matter How Things Look
Keep Your Head Up
Hope And Pray For A Better Day

Welcome To Your World
Welcome To Your World
Welcome To Your World

You Gotta Take Time
To Take It Seriously
You Gotta Make Time
To Do What Is Right

Welcome To Your World
Welcome To Your World
