

Yes, I'm a Witch

Yoko Ono & The Brother Brothers

Oh, please don't give me that! Yes, i'm a witch,
I'm a bitch
I don't care what you say,
My voice is real.
My voice speaks truth,
I don't fit in your ways. I'm not gonna die for you,
You might as well face the truth,
I'm gonna stick around for quite awhile.
We're gonna say,
We're gonna try,
We're gonna try it our way.
We've been repressed,
We've been depressed,
Suppression all the way. We're not gonna die for you,
We're not seeking vengeance,
But we're not gonna kill ourselves for your convenience. Each time we don't say what we wanna say, we're
dying.
Each time we close our minds to how we feel, we're dying.
Each time we gotta do what we wanna do, we're living.
Each time we're open to what we see and hear, we're living. We'll free you from the getthos of your minds,
We'll free you from your fears and binds,
We know you want things to stay as it is,
It's gonna change, baby.
It's gonna change, baby doll,
It's gonna change, honey ball,
It's gonna change, sugar cane,
It's gonna change, sweetie legs.
So don't try to make cock-pecked people out of us.
