

# My Light Is Gone

Owlle

No more vision  
No more true enemies  
No more seasons  
No more Stairs in the sky  
My light is gone  
No more reasons  
No more angels in hell  
No more questions  
No more stories to tell  
My light is goneKeep white dust  
you have my soul  
I've lost Light by myself  
through hot tides  
I've left my soul  
I've lost light by myselfNo reactions  
No more reality  
No more vision  
No more hopes than before  
My light is gone  
No more sentence  
No more reason to be  
No solutions No more  
Ghosts on the seaKeep white dust  
you have my soul  
I've lost Light by myself  
through hot tides  
I've left my soul  
I've lost light by myself
