

Was It a Dream?

Thirty Seconds to Mars

Your defenses were on high
Your walls built deep inside
Yeah, I'm a selfish bastard
But at least I'm not alone
My intentions never change
What I wanted stays the same
And I know what I should do
It's time to set myself on fire
Was it a dream?
Was it a dream?
Is this the only evidence that proves it
A photograph of you and I?
Your reflection I've erased
Like a thousand burned out yesterdays
Believe me when I say goodbye forever
Is for good
Was it a dream?
Was it a dream?
Is this the only evidence that proves it
A photograph of you and I?
Whoa, yeah! Whoa
Was it a dream?
Was it a dream?
Is this the only evidence that proves it
A photograph of you and I?
(A photograph of you and I)
Was it a dream?
Was it a dream?
Is this the only evidence that proves it
A photograph of you and I
A photograph of you and I
A photograph of you and I?
In love
