## Siouxsie and the Banshees

Swallowing diamonds  
A cutting throat  
Your teeth when your breath  
Reflecting beams on tombstonesA jamboree of surprises  
Playing Russian roulette  
Or the lucky clip  
A clenched fist to your heart  
Coal dust on your lungsA silver tongue for the chosen one  
Heavy magnum in your side or a bloody  
thorn  
Skating bullets on angel dust  
In the dead sea of fluid mercury  
Baby piano crues  
Under your heave index and thumb  
Pull some strings-let them singThe stars that shine  
And the stars that shriek  
In the face of stagnation the water runs  
Before your eyes
