

# Manifest Destiny

## Kobra and the Lotus

New found awareness  
I finally think I've walked down the right road  
Breath in the fullness of running with the choice to let it go  
Let it go, let it go! I am alive! Manifesting destiny  
Are you alive?! Manifest your destiny I am a child swimming in an ocean of possibility  
(Become the love you seek)  
Learning the lessons of how hard it is to love unconditionally  
We can change how we see  
I am alive! Manifesting destiny  
Are you alive?! Manifest your destiny Happiness, happiness, could you imagine that?  
True happiness, happiness, wouldn't you want that? Open, open your hands if you want to be held  
See the sky will catch you  
If you fall thru every moment with a curious mind  
Be silent Manifest! Manifest! Your destiny  
Manifest! Manifest! Your destiny  
Manifest! Manifest! Your destiny  
Manifest! Manifest! Your destiny  
Are you alive?! I am alive!  
Are you alive?! I am alive!  
Are you alive?! Are you alive??  
We are alive!! We are alive!!
