

# You're My Latest, My Greatest Inspiration

## Teddy Pendergrass

I've been so many places  
I've seen so many things  
But none quite as lovely as you More beautiful than the Mona Lisa  
Worth more than gold  
And my eyes have the pleasure to behold You're my latest and my greatest  
My latest, my greatest inspiration Things never looked clearer  
Peace within never felt nearer  
My burden's gone, it's turned into a song Tender as a baby's touch  
I needed you, oh, so much  
At last the load is so light You're the latest and my greatest  
My latest, my greatest inspiration I plan to give you all that I have  
I'll be everything, everything you think I am  
You make life a joy to live  
And I'm thankful, yes, I'm blessed just to know you I've been so many places  
I've seen so many things  
But none quite as delectable as you  
More beautiful than the Mona Lisa  
Worth more than gold  
And my eyes have the pleasure just to behold You're my latest, tell you you're my greatest  
My latest, my greatest inspiration  
You inspire me, inspire me  
Don't you know, my latest, my greatest inspiration You keep just keep on liftin' me up now  
(Higher)  
Mmm  
(Higher)  
You inspire me  
I want you to keep liftin' me up  
(Higher, higher) I want you to keep on liftin' me up  
(Higher)  
Alright  
(Higher)  
Alright See, you got me, you got me doin' things  
(Higher)

(Higher)

(Higher)  
Hey, hey, hey  
(Higher) Mmm, mmm, hmm

You, you, you  
You keep on liftin' me  
(Higher)
