

# I Do Adore

[Mindy Gledhill](#)

Everything you do it sends me  
Higher than the moon with every  
Twinkle in your eye  
You strike a match that lights my heart on fire  
When you're near, I hide my blushing face  
And trip on my shoelaces  
Grace just isn't my forte  
But it brings me to my knees when you say  
Hello, how are you, my darling today?  
I fall into a pile on the floor  
Puppy love is hard to ignore  
When every little thing you do, I do adore  
We're as different as can be  
I've noticed you're remarkably relaxed  
And I'm overly uptight  
We balance out each other nicely  
You wear sandals in the snow  
In mid-July I still feel cold  
We're opposites in every way  
But I can't resist it when you say  
Hello, how are you, my darling today?  
I fall into a pile on the floor  
Puppy love is hard to ignore  
When every little thing you do, I do adore  
Finding words, I mutter  
Tongue-tied, twisted  
Foot in mouth, I start to stutter  
Ha, ha, Heaven help me  
Hello, how are you, my darling today?  
I fall into a pile on the floor  
Puppy love is hard to ignore  
When every little thing you do, I do adore  
Every little thing ba ba ba ba  
Every little thing ba ba ba ba  
Every little thing you do, I do adore
