Six Nights a Week

The Crests

Well six nights a week I long for you
And then on Saturday night
I hold you in my arms again
I love you so but I'm a fool it seems

For six nights a week I see you only in my dreams
I want to hold you every night
But you won't give me a chance
I have to wait to hold you tight

Until the next Saturday night
So why must we spend six nights a week apart
When night after night I'd love to hold you to my heart
