

# It's Been So Long

[Avishai Cohen](#)

'Cause It's Been So Long  
Since i saw you i know  
But i often think of you though  
And i want you to know  
I love youaaaaaaAnd i want you to know  
I love you'Cause It's Been So Long  
Since i saw you i know  
But i often think of you though  
And i want you to know  
I love youDon't go, i'll miss you  
Stay more i need you to  
Before, you go  
let me hold, and kiss youAnd i want you to know  
I love you so...  
'Cause i love you so...
