Go Home

Summer Cannibals

I try to focus
My eyes on me
I wanna see things
The way that they're supposed to beYou're the problem
But I am too
I wanna see things
The way that you doI'm not the one
You can call if you wanna go homeWe've got problems
We've been wrong
At least we know that
It's always somebody else's faultI'm not the one
You can call if you wanna go home
I'm not the one
You can call if you wanna go home
