

# Kangaroo

## Big Star

I first saw you, you had on blue jeans  
Your eyes couldn't hide anything  
I saw you breathing, oh  
I saw you staring out in space I next saw you, you was at the party  
Thought you was a queen, oh so flirty  
I came against, didn't say excuse  
Knew what I was doing  
We looked very fine 'cause we were leaving Like Saint Joan doing a cool jerk  
Oh, I want you like a kangaroo
