More Than That

Backstreet Boys

I can see that you've been crying
You can't hide it with a lie
What's the use in you denying
That what you have is wrong

I heard him promise you forever
But forevers come and gone
Baby he would say whatever
It takes to keep you blind
To the truth between the lines

Oh I will love you more than that
I won't say the words, then take them back
Don't give loneliness a chance
Baby listen to me when I say
I will love you more than that

Baby you deserve much better
What's the use in holding on
Don't you see it's now or never
Cause I just can't be friends
Baby knowing in the end

That I will love you more than that
I won't say the words, then take them back
Don't give loneliness a chance
Baby listen to me when I say

[bridge]
There's not a day that passes by
I don't wonder why we haven't tried
It's not too late to change your mind
So take my hand, don't say goodbye

I will love you more than that
I won't say the words, then take them back

Oh I will love you more than that
I won't say the words, then take them back
Don't give loneliness a chance

Baby listen to me when I say
I will love you, oh

I will love you more than that
I won't say the words, then take them back
Don't give loneliness a chance
Baby listen to me when I say
I will love you more than that
