

Moyda

Adam Sandler

Schnine

He's a pretty good guy

He's nice to his neighbors

You can count on him to buy your school candy bars

He's a real nic guy

He's always got the jumper cables

He'll take your mail in when you're on vacation

He's a good-hearted man

Volunteers at the library

He'll help you find a book on whales

He's a thoughtfull man

Rememers your birthday

Says God bless you when you sneeze

But there's a problem

It's not your average problem

But it's a pretty big problem

His hobby is moyda

His hobby is moyda

He'll eat a hamboyga

Then commit moyda

He's a friendly guy

He waves to all the joggers

Children use his backyard as a short-cut

He's a real sweet guy

He always recycles

Referees the Junior High basketball for no pay

He's a great, great man

He'll sign your petition

Then proceed to compliment your new haircut

But there's a problem

It's not your average problem

But it's a pretty big problem

His hobby is moyda

His hobby is moyda

South of the boyda

He's wanted for moyda

Here he comes

Hey Larry, how ya doing?

How's the garden coming?
You know, it's interesting
I just read at the library
That you need to rotate the soil
To get real plump, read tomatoes
Oh, and one more thing
My hobby is moyda
Two, three, four
I'm a sick man
My hobby is moyda
My hobby is moyda
I'll eat a hamboyga
Then commit moyda
[Chanting]
I never loiter
After committing the doity deed of moyda
Only Sigmund Freuda
Knows why I cannot and will not stop committing moyda
Murder, murder, murder, murder, murder
