Slave to the Clock

A Perfect Murder

Advisory - the following lyrics contain explicit language:

Get in line and get ready to die
To die in slow agony
It's killing you from the inside
Wake up and open your eyesSo you can feel your hell
Your nightmare is your everyday life
Time to say goodbye
To a life of self-destructionYou're a slave to the clock
And your life is wasting away
You're a slave to the clock
And your life is wasting awayYou're just a rusty tool
Ready to breakdown in pieces
You're one of those workhorses
Your condition is always getting worseThe pain, the damage is harder
And digs deeper
Time to say goodbye
To a life of self-destructionYou're a slave to the clock
And your life is wasting away
You're a slave to the clock
And your life is wasting away
