Stay The Same (WayWork Deep Remix)

Bonobo

A night train
Midnight
Bags gathered round my feet
Possessions
Some lessened
To carry with me
Heavy and
Soothing
Like a gentle symphonyI rest my
Head right
Back upon my seat
It's hard
And cold tho'
The best thing for me
This train is
Movin'
But my heart is stationerySeasons change
It won't ever be the same
I'm hopin'
I won't stay the same
Reasons strange
Why we always play these gamesI left it
With you
I hope that was discreet
I made sure
I put it
Upon the cellar doors
It's hanging open
When you read it while I weepLast time
The last time
It flickers through me
So vivid
It rushes from my head down to my feetWe're laughing we're joking
Through ??? to my defeatSeasons change it will never be the same
I'm hoping I won't stay the same
Reasons strange
Why we always play these games.
