

# Super Girl

## Hannah Montana

When I feel all alone and nobody knows  
Still gotta smile for a while, I can't let it show  
Dry my tears, have no fears and when I'm  
(And when I'm)  
Backstage feeling down and the lights come on No time to worry, gotta hurry  
Time to sing my song, gonna shake it off  
(Shake it off)  
Strike a pose  
(Strike a pose) Snap my fingers just like that  
Don't get what I want and that's a fact  
Snap my fingers just like that  
Don't get what I want just 'cause I want it I'm super cool, super hot  
Livin' like a rock star  
You think I'm super, you think I'm super  
On the cover of your magazine Wherever I go they make a scene  
I'm super, super, I'm super-duper  
So you wanna be just like  
So you wanna be just like Think you wanna be just like me  
Everybody's watchin' me  
Never as easy as it seems  
To be super, super, to be super, supergirl When I walk in the room everybody stops  
Camera's flashin', people fighting for the best shot  
They like my hair, the clothes I wear  
Everybody wants to know what I'm doin' next Sometimes I wish I could stay  
And home just be by myself, I wanna be  
(I wanna be)  
What the world can't see can't you see? Snap my fingers just like that  
Don't get what I want and that's a fact  
Snap my fingers just like that  
Don't get what I want just 'cause I want it I'm super cool, super hot  
Livin' like a rock star  
You think I'm super, you think I'm super  
On the cover of your magazine Wherever I go they make a scene  
I'm super, super, I'm super-duper  
So you wanna be just like  
So you wanna be just like Think you wanna be just like me  
Everybody's watchin' me  
Never as easy as it seems  
To be super super, to be super, supergirl Wish you could see I'm like everybody else

Struggling to let go and always be myself I'm super cool, super hot, super  
I'm super, super, I'm super, super  
On the cover of your magazine  
Wherever I go they make a scene I'm super, super, I'm super, super  
So you wanna be just like  
So you wanna be just like  
Think you wanna be just like me Everybody's watchin' me  
It's never as easy as it seems  
To be super, super  
To be super, supergirl
