

We Three Kings (Duet With Mary J. Blige)

Rod Stewart

We three kings of orient are
Bearing gifts we traverse afar
Field and fountain
Moor and mountain
Following yonder starBorn a King on Bethlehem's plain
Gold I bring to crown Him again
King forever, ceasing never
Over us all to reignO star of wonder, star of night
Star with royal beauty bright
Westward leading, still proceeding
Guide us to your perfect lightFrankincense and myrrh have I
I give the love in sacrifice
Prayer and praising, all men raising
Worship Him, God most highO star of wonder, star of night
Star with royal beauty bright
Westward leading, still proceeding
Guide us to your perfect lightO star of wonder, star of night
Star with royal beauty bright
Westward leading, still proceeding
Guide us to your perfect lightWestward leading, still proceeding
Guide us to your perfect lightWe three kings of orient are
Bearing gifts we traverse afar
Field and fountain
Moor and mountain
Following yonder starField and fountain
Moor and mountain
Following yonder star
