

# Goodnight

Mirel Wagner

Hmm, goodnight, I love you, darling, goodnight  
Goodnight, goodnight, may the stars shine bright  
    goodnight, my darling, goodnight  
I'll push down the pillow with all of my might  
    Goodnight, goodnight, the stars are so bright  
And I'll hold down the pillow with all of my might  
    Tomorrow, tomorrow, will be alright  
Together, forever, now and through timeDa dadadada ladadadada  
    Da dadadada ladadadada
