

# Know Til Now

**Jim James**

Lost, in the world  
It seems  
Caught and lost for words

I didn't know til now  
I couldn't not have known  
I didn't know til now  
Just couldn't know it  
As we need to be (know til now)  
As we climb the beat(know til now)  
But now I (know til now)  
But now I see

(I didn't know)

Lost in the world  
It seemed  
Caught and lost for words  
I didn't know til now  
How could I have known  
I didn't know til now  
How could I have known  
But now I see, but now I see  
how sweet like a leaf  
And now I see, I see it complete  
And now I see, like a leaf

Catching into mine (know til now)  
Thatâ€™s the way (know til now)  
As we, (know til now)  
Thatâ€™s the way (know til now)
