1001 Soene

Heinz Winckler

Knocking
Iâ€™m lost in a world,
That rattles my brain.
Iâ€™m cleaning my life,
From the mess you made.
OH, OH, WHOA, OH, OH, OH
So you can keep
Knocking, knocking, knocking.
Bab, youâ€™re rockingâ€™
but their aint no way Iâ€™m ever
letting you in
not again
so keep on
knocking, knocking, knocking
but, baby, youâ€™re better of walking
cause I aint gonna let you in
never again
I went out on a limb again
I guess I had to lose to win
I was too confused to know
which way to turn
and she could be a millionaire
but I donâ€™t care
Cause nobodyâ€™s home at all, YEAH
