

# La Grange

## ZZ Top

Rumor spreadin' around, in that Texas town  
    'Bout that shack outside La Grange  
And you know what I'm talkin' about  
    Just let me know if you wanna go  
    To that home out on the range  
They gotta lotta nice girls out thereHave mercy  
    A haw, haw, haw, haw, a haw  
A haw, haw, hawWell, I hear it's fine if you got the time  
    And the ten to get yourself in, a hmm, hmm  
    And I hear it's tight most every night  
But now I might be mistaken, hmm, hmm, hmmHave mercy
