Keep It Together

Madonna

Keep, keep it together forever, together
Keep people together forever, together
Keep people together forever, together
Keep people together forever, togetherI got brothers, I got some sisters too
Stuck in the middle tell you what I'm gonna do
Gonna get out of here, I'm gonna leave this place
So I can forget every single hungry face
I'm tired of sharing all the hand me downs
To get attention I must always be the clown
I want to be different, I want to be on my own
But Daddy said listen, you will always have a homeKeep it together in the family
They're a reminder of your history
Brothers and sisters they hold the key
To your heart and your soul
Don't forget that your family is goldI hit the big time but I still get the blues
Everyone's a stranger, city life can get to you
People can be so cold, never want to turn your back
Just givin' to get something
Always wanting something back
When I get lonely and I need to be
Loved for who I am, not what they want to see
Brothers and sisters, they've always been there for me
We have a connection, home is where the heart should beKeep it together in the family
They're a reminder of your history
Brothers and sisters they hold the key
To your heart and your soul
Don't forget that your family is goldWhen I look back on all the misery
And all the heartache that they brought to me
I wouldn't change it for another chance
'Cause blood is thicker than any other circumstanceKeep, keep it together forever, keep it together
Keep people together forever, togetherWhen I get lonely and I need to be
Loved for who I am, not what they want to see
Brothers and sisters, they've always been there for me
We have a connection, home is where the heart should beWhen I look back on all the misery
And all the heartache that they brought to me
I wouldn't change it for another chance
'Cause blood is thicker than any other circumstanceKeep it together in the family
They're a reminder of your history
Brothers and sisters they hold the key

To your heart and your soul
Don't forget that your family is goldKeep, keep it together
Keep people together forever and ever
