

# I'll Never Find Another You

[Sonny James](#)

There's a new world somewhere  
They call the Promised Land  
And I'll be there someday  
If you will hold my hand I still need you there beside me  
No matter what I do  
For I know I'll never find another you There is always someone  
To reach across they say  
And you'll be my someone  
Forever and today I could search the whole world over  
Until my life is through  
But I know I'll never find another you It's a long long journey  
So stay by my side  
When I'll walk through the storm  
You'll be my guide, be my guide If they gave me a fortune  
My pleasure would be small  
I could lose it all tomorrow  
And never mind at all But if I should lose your love, dear  
I don't know what I'd do  
For I know I'll never find another you But if I should lose your love, dear  
I don't know what I'd do  
For I know I'll never find another you  
Another you, another you
