

Ashes

Martina McBride

Ashes
He's nothing but ashes
No feelings have lasted
No love remainsAshes
That's all that our past is
He's nothing but ashes
From a cold old flameI saw your face when
He waltzed in here
But those old embers
Haven't burned for yearsThe light that's shining
In my eyes
Is for the one that
I'm with tonightAshes
He's nothing but ashes
No feelings have lasted
No love remainsAshes
That's all that our past is
He's nothing but ashes
From a cold old flameNo I don't blame you
For having some doubts
But when he left me
That fire burned outSo don't be thinking
There's still a spark
'Cause he could never
Tear us apartOh ashes
He's nothing but ashes
No feelings have lasted
No love remainsAshes
That's all that our past is
He's nothing but ashes
From a cold old flame
He's nothing but ashes
From a cold old flame
