

# I Don't Care About You

## Lake Street Dive

How can I tell you that it's too late  
That there ain't no point in trying  
How many times have I ignored you  
And it ain't even crossed your mind That if you feel the urge to see me  
Well you best pretend you're blind  
I don't mean to be unkind  
But all the reasons I left you behind  
They should be clear now I don't care about you anyway, no no no  
I don't care about what you got to say, no no no  
I don't care about you and I'd say it to your face  
If I knew you could take it Once in a while I hear you talking  
And it gets me almost every time  
I still feel bad enough about what I've done  
To listen to all the things you criticized  
But in the end it doesn't matter  
Who was wrong or who was right  
I can finally sleep at night  
'Cause all the reasons I left you behind
